Cliff Jumping

Feeling lucky punk? Come test yourself against the very nature of your fears!

Cliff Jumping offers the ultimate in extreme sports! What is it? It's you, jumping from a perfectly safe cliff into the chilly waters below. Why? The Buzz, it's all about the Buzz!!

You may not think you're afraid of heights but I can assure you that when you're faced with a jump like this it'll take more than guts to run off the edge! Cheer on, and get cheered on by your friends and family, as you one by one take the plunge, Cliff Jumping.

There's few better ways of getting to really know someone than seeing how they react to the fear of Cliff Jumping. What message will you give off? Are you a man or mouse?

Challenge your fear of Cliff Jumping, find the root of Life, find Yourself!
